Moodle 4.0 Help (For Staff): <https://www.lttc.edu.hk/moodle/help-staff>

The Forum activity allows students and teachers to exchange ideas by posting comments as part of a 'thread'. Files such as images and media can be included in forum posts.

	<p>2. Click '(+) Add an activity or resource' and then click 'Forum' in Activities tab.</p>
	<p>3. Give it a name and, if needed, a description.</p>
